I had an excellent 9 weeks as a Summer Clerk at GQ. The firm was incredibly welcoming, allowing me to explore areas of the law from Litigation and Employment to Family and Relationship Property matters. The open-plan layout of the firm enabled me to work alongside Partners, Associates, Lawyers, and Legal Support, ensuring I was encouraged and supported in my work. I look forward to transferring the skills I learnt this summer to my final year of tertiary studies.

– Annabel, Summer Law Clerk 2022-23

I had a great time clerking at GQ – a special thanks to Troy, Lauren and Richard for taking me on board their respective teams, and everyone who involved me in their cases or just said hello around the office, you all made me feel very welcome. My personal highlights were my first proper hearing with Rhiannon and running the McDougall's Cup team challenges each week.

A summer clerkship at Govett Quilliam is one of the most amazing opportunities for law students looking for experience. The one on one exposure to clients and the practical work that GQ provides for you to do not only makes you feel truly valuable but it gives you a better sense of what it's like to be a lawyer.

The team is vibrant and inviting, there's a heavy emphasis on work life balance and a clear commitment to the community. I absolutely loved my time there and I hope to be back sometime in the future.
